

**Lyrics: Jasmin Füchtner**

Tell me how much time has passed  
It feels like an eternity  
The hole time I'm just being relaxed  
I sleep but I'm still so sleepy  
I don't know what to do else  
Every day feels like the same  
There is too much time with myself  
Every hour goes by so lame

I don't know how I feel  
Too much thoughts in my brain  
Is this situation even real  
Or are they playing a game

And I can't help myself tonight  
My thoughts even swim through my veins  
Each minute seems to be a fight  
Tied up in invisible chains  
And again I'm thinking too much  
I just want to break free  
I yearn for all of my friends' touch  
This even can't be reality

Face to face I need that now  
Before I'll go crazy  
I should keep smiling but tell me how  
Actually life should be tasty  
It's absolutely sickening  
This feeling of being constantly empty  
Now we need to be an awesome team  
To stop this and be together quickly

I don't know how I feel  
Too much thoughts in my brain  
Is this situation even real  
Or are they playing a game

And I can't help myself tonight  
My thoughts even swim through my veins  
Each minute seems to be the a fight  
Tied up in invisible chains  
And again I'm thinking too much  
I just want to break free  
I yearn for all of my friends' touch  
This even can't be reality

And I can't help myself tonight  
My thoughts even swim through my veins  
Each minute seems to be the a fight  
Tied up in invisible chains  
And again I'm thinking too much  
I just want to break free  
I yearn for all of my friends' touch  
This even can't be reality
